

¿DO YOU FEEL SECURE WITH YOUR IOT DEVICES?

IF THEY ARE OUTDATED, HERE ARE SOME RISKS:

DATA LEAK

The information you store on them can be exposed and stolen by hackers.

TRACKING HABITS AND ROUTINES

They can deduce when you are at home or away, or when you are not using them.

UNAUTHORIZED ACCESS

Attackers can gain complete control of your devices.

MULTIMEDIA INTERCEPTION

Cameras or voice assistants can be activated without your authorization.

**UPDATE YOUR DEVICES TODAY AND
CLOSE THE DOOR TO ATTACKERS.**
