

STRONG PASSWORD IN 5 STEPS

1

Select a memorable phrase from a song, story, book, movie or series.

E.g.:
"To infinity and beyond"

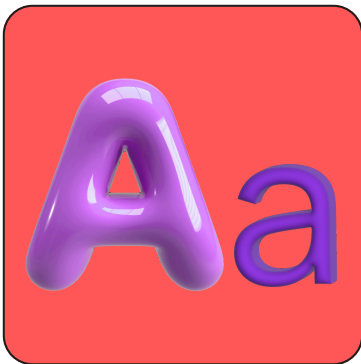

2

Take the first letter of each word and create a sequence of letters.

E.g.:
"T*o* infinity
and b*ey*ond"

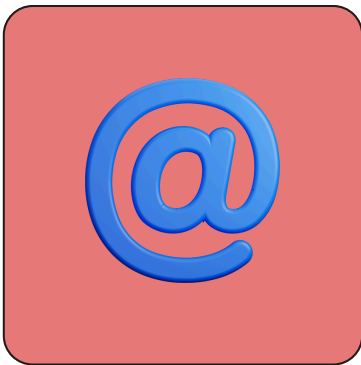

3

Alternate uppercase, lowercase, replace letters with numbers, and add others.

E.g.:
"T*l*ab46"

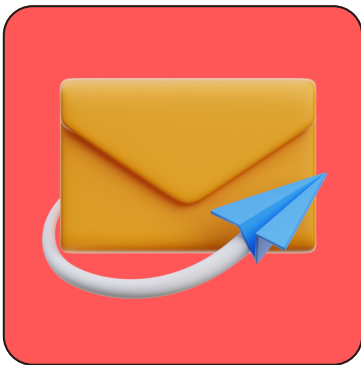

4

Add special characters, such as symbols.

E.g.:
"i*T*lab46#"

5

Customize it for each site or application, you can include a key or hint.

E.g.:
"i*T*lab46#Mail"
