

DETECT PHISHING

IN LESS THAN 1 MINUTE

2

Mouse over the links

✗ Do not click without checking the actual address.

3

Check spelling and design

🔍 Errors in the text can be a sign of fraud.

1

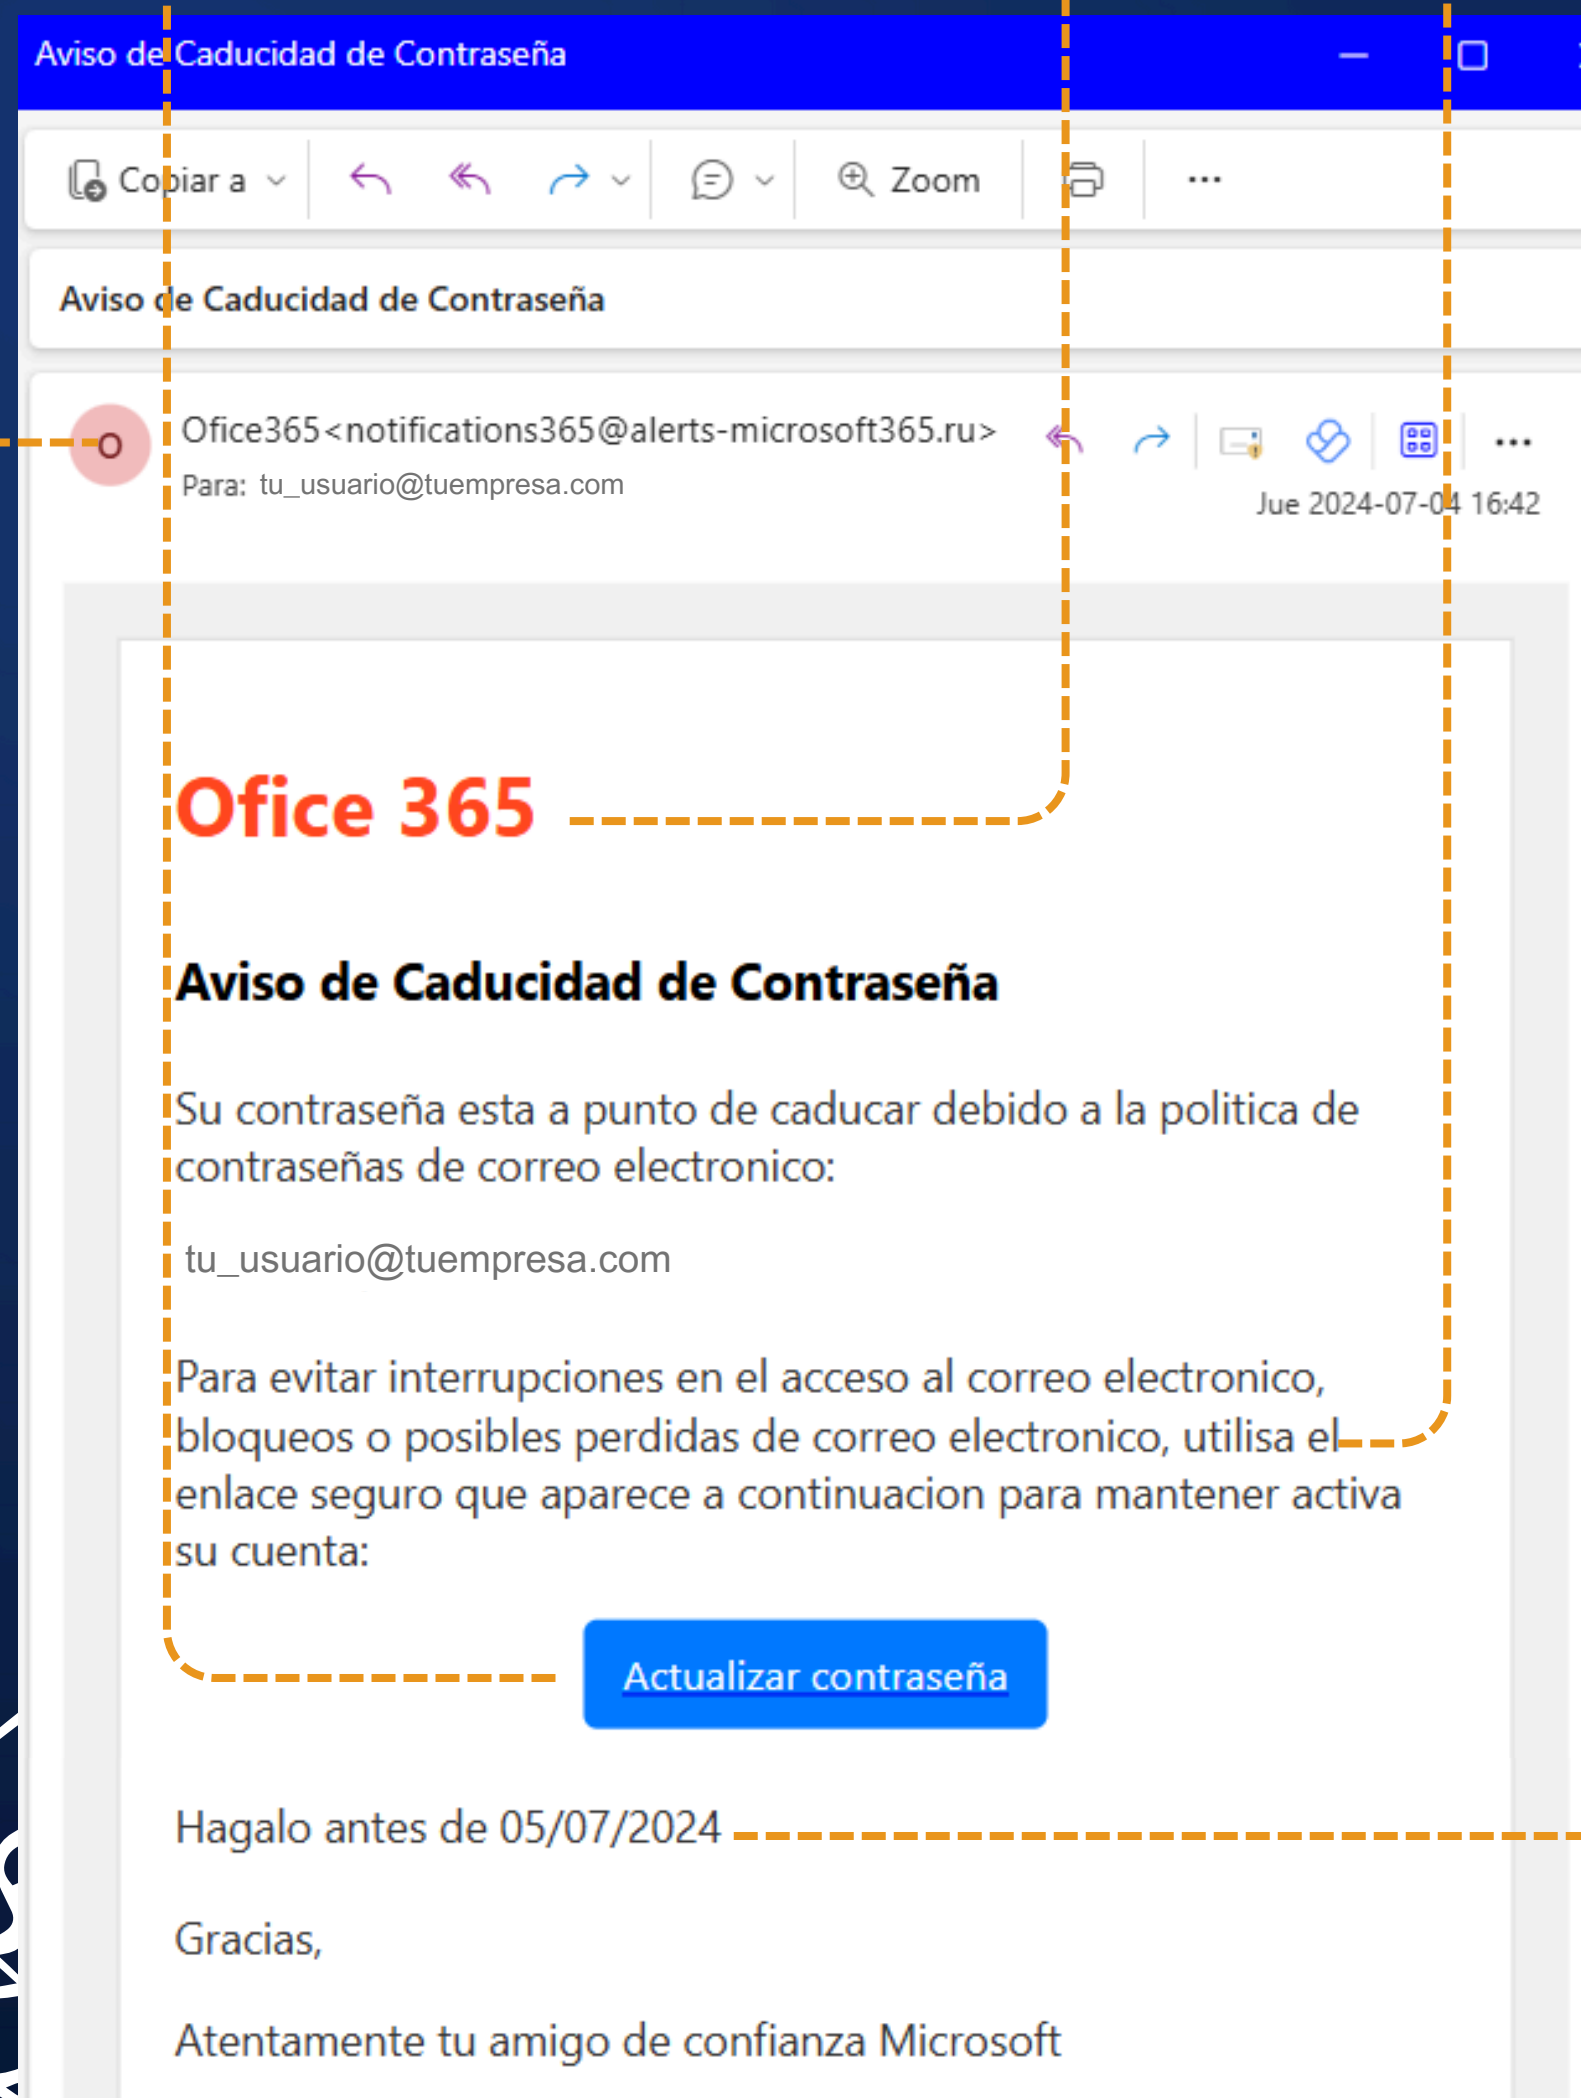

Verify the sender

🔍 Is it a reliable address or does it have strange letters?

4

Analyze the tone of the message

🚨 If they rush you or threaten you, it may be a scam.
